

Accommodation: The university has a guesthouse where Turkish PhD students and Erasmus students stay in two different blocks. (The individual rooms are available for limited numbers of Erasmus participants). Each room is equipped with basic furniture, bath, and internet connection. Sheets, pillow cases or towels are not provided so students should bring their own or they can purchase them here.

Due to the limited number of rooms available, the rooms are shared and the shared-room costs 600 TL (300 TL = (about 45 €) for each person). **The price of rooms are usually updated in at the end of the year.** If you want to share the room with a friend from your home university, please let the International Office know as soon as possible. If you are the only person from your university, you can arrange the room sharing when you get here.
